REPORTING THE INTERNSHIP LEARNING GOALS

General rules:

Practices and observations made within the scope of the Internship Learning Goals should be written in an easy-to-understand English, in accordance with the spelling rules and in a scientific language, and short and concise sentences should be used. English Spelling Guide and English Dictionary can be used for punctuation and spelling.

Students are required to attend at least 6 hours during the working hours of the pharmacy, institution or organization where they do their internship. Provided that he/she presents a valid excuse, he/she can use a maximum of three working days' excused leave. A student who is found to be absent from his/her office three times without an excuse is considered as absent and his/her internship is deemed invalid.

Students are responsible for complying with the working and safety rules, order and discipline of the pharmacies and institutions where they do their internship, and for carefully using all kinds of spaces, tools, materials, machines, tools and equipment they use in the workplace. Any responsibility that may arise as a result of negligence belongs to the student and when necessary, action is taken against the students in accordance with the Student Disciplinary Regulations of the Higher Education Institutions.

The prepared Internship report must be signed and approved by the authorized supervisor in the institution where the internship is done.
